CLOSING DATE:	March 27th, 2016
EMPLOYMENT DURATION:	4-month (May-August)
POSITIONS:	1-2 positions
JOB LOCATION:	Worksites within the Columbia Shuswap Regional District. Assistant will work out of Revelstoke office or may work out of home based office within the CSRD region with weekly/bi-weekly meetings in Revelstoke.

The Columbia Shuswap Invasive Species Society (CSISS) is a non-profit organization comprised of volunteer members representing private & public agencies, clubs and organizations in the Columbia-Shuswap Region of British Columbia. Members of the society are dedicated to increasing awareness of invasive species and associated losses caused to the natural and domestic resources of our Region. The Society performs invasive species inventory, promotes best management practices, and coordinates invasive species action, education and awareness activities throughout the Columbia-Shuswap Region.

JOB DESCRIPTION:

Under the direct supervision and guidance of the CSISS Executive Director, the Invasive Species Program Assistant will be responsible for carrying out various functions of the Columbia Shuswap Invasive Species Society's programs. Activities include assisting with invasive species surveys, developing and delivering educational programs, workshops and activities, as well as working with stakeholders, to ensure a coordinated approach to invasive species management in the region. The Invasive Species Program Assistant will work in rural communities with a variety of stakeholders, including First Nations partners, the Invasive Species Council of BC, local governments, community groups, and others.

The base of operation will be located in the Columbia-Shuswap (please specify your preferred work location within the CSRD), with extensive travel throughout the region. Regular team meetings will occur weekly/bi-weekly in Revelstoke, BC. Although this will be full-time throughout the length of the term, work hours may fluctuate with weather and project demands.

JOB DUTIES:

- Work with Executive Director and CSISS staff to deliver Invasive Species programs as described in the CSISS Work plan
- Help to deliver CSISS events and training programs throughout the region, including the delivery of Plant Wise, Clean Drain Dry, Play Clean Go, and Don't Let It Loose outreach programs

- Work with Executive Director to build relationships with First Nations and other stakeholders in the region to enhance collaboration on invasive species issues
- Assist with invasive species inventories and Invasive Alien Plant Program (IAPP) data entry
- Track and report on successes of program

SKILLS REQUIRED:

The Program Assistant will be engaging with partners and the public on a daily basis and therefore need to be energetic, positive, outgoing, and confident. Successful candidates must be self-motivated, highly organized, responsible, and work well in a team. All applicants must have completed Grade 12 or equivalent and be currently enrolled in a relevant post-secondary program.

Ideally, you will have a strong combination of the following skills:

- Knowledge of invasive species;
- Ability to engage effectively with members of the public;
- Strong motivational skills;
- Excellent oral and written communication skills;
- Experience and interest in delivering public presentations and information-booths;
- Experience working with youth and/or community groups;
- Experience conducting plant surveys and field work;
- Experience working around water and watercraft, and;
- Willingness to travel.

Additional Assets:

- Have or are working towards a technical certificate or degree in natural resource science;
- Social media skills;
- Experience with Microsoft Office: Word, Excel and Power Point;
- Experience in data collection, organization and management; and
- Experience with report writing.

Applicants MUST Possess:

- Current WCB Level 1 First Aid certification; and
- A valid BC driver's license

Applicants must be eligible to participate in the Canada Summer Jobs (CSJ) initiative (requirements listed below):

- ✓ Be between 15 and 30 years of age at the start of the employment;
